Robertet is a multinational company with four administrative and production sites in the United States.

Our Company has been dealing with Bergen Refrigeration & Air Conditioning, Inc. for more than 20 years. Together we have built and refurbished Robertet's facilities with total capacity exceeding 350,000 square feet.

Whenever we have had needs in refrigeration, air conditioning or heating, the first company that comes to mind is Bergen Refrigeration & Air Conditioning. Their quality standards are impeccable, and their service and attention to detail is exceptional. In addition their pricing has always been more than fair.

Robertet will continue to expand operations in future decades and will continue to partner with Bergen as one of our most reliable vendors.

I will continue to recommend Bergen Refrigeration & Air Conditioning, Inc. without any reservation
